Mr. Chapman:

This letter is in response to the Freedom of Information Act ("FOIA") request received by the City of Chicago Department of Transportation on July 10, 2019 seeking a copy of all address certificates.

CDOT does not maintain a comprehensive data base of address certificates. Instead they are researched individually when a new project or development is proposed. Therefore, CDOT cannot provide you all address certificates. If there is a specific location about which you would like more information, CDOT could research and provide a certificate regarding that location.

You may have a right of review by the Illinois Attorney General's Public Access Counselor, who can be contacted at 500 S. Second St., Springfield, IL 62706 or by telephone at (877) 299-FOIA. You may also seek judicial review of a denial under 5 ILCS 140/11 of FOIA.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Hofee", is written over the word "Sincerely,".

Susan Hofee
CDOT FOIA Officer
